Experience

Motion Graphics Animator / UX Designer

Nov 2025 – May 2026

CU Hacking

Ottawa, ON

- Produced motion graphics and cinematic sequences that defined the event's visual brand across live-stream and social platforms.
- Designed the visual identity and UI for a custom event dashboard and mobile app used by 500+ participants.

Multimedia Designer / Cinematographer

June 2020 – May 2026

Sachin Rao

Ottawa, ON

- Designed broadcast graphics — lower thirds, overlays, and title sequences — for live-streamed events.
- Directed cinematography and post-production across client projects, using color grading and visual storytelling to strengthen viewer retention.

Freelance Video Editor

May 2024 – Aug 2024

WhyDNA

Ottawa, ON

- Edited raw footage into promotional content with color correction and audio mixing for marketing and educational campaigns.
- Built reusable motion-graphics templates that cut average project turnaround by 25%.

Additional Experience

Systems Analyst Co-op

May 2026 – Aug 2026

Marcan Pharma

Ottawa, ON

- Built an internal order-entry web app (front-end + SAP integration) and supported data reporting (Power BI, Databricks) and workflow automation.
